During this year at Union, we have all benefited and grown in some way. By means of our scholastic and extracurricular activities, each of us has obtained new knowledge of ourselves and of the world. Everyday communication with our friends and teachers has also shaped our lives and aided to our maturation. One way we can express this communication is through a yearbook. Consequently, the Union High School Yearbook Staff is proud to have been able to record for everyone's memory this important 1973-74 school year. As a great amount of work goes into the production of the yearbook, we would like to show, through proper acknowledgement, our appreciation to all those who have helped us. First of all, we extend special thanks to Miss Rita Meister for her patience, guidance, and encouragement as advisor and Mr. Bernard Magirl for his assistance as the yearbook representative. Secondly, we would like to acknowledge the role of Mr. James Brockman as photographer, Karen Quader as business manager, and Skip Alrutz as student photographer. Also, we would like to give a special thanks to Mr. Jack Creighton for his photographic assistance. Lastly, we wish to extend our gratitude to the administration and faculty, the advertisers, the patrons, and the student body for their financial and co-operative support.

The tenth annual U.H.S. homecoming was held on September 19, 1973, with many festivities exciting all who attended. The day began at 10:00 with a wet parade extending thru Gettysburg. Included in the parade were: The Union High School Band, Avonworth Marching Band, and the U. H. S. Band of 1931. Six floats created under the theme "Movie Land Magic" were as follows:

Nurses Club-Snow White and the Seven Dwarfs.
Judges for the day were: Mr. J. H. Forman-Climax representative, Mrs. Plate-Plate's Dress Shop, Mrs. Lanczak-Catholic School Principal. Many clowns were also featured in the parade.

Due to the inclement weather, the crowning of the queen was postponed until the dance in the High School gym that evening. Our Devils gave us a great victory that day topping the Antelopes by the score of 39-0. That evening at the annual homecoming dance, which was held from 9 p.m. till 11 p.m., Marsha Kay Pavan was crowned homecoming

Student Council Has Many Projects

The student council put a lot of hard work into the homecoming, and many, many other projects over the summer, and they deserve credit for it.

Over the summer, the council conducts bazaar sales, clean-up of fields, grounds, school planning and teacher appreciation day.

The completely remodeled school store contains many new or different items, such as slates for chemistry and physics students, pens, savers, combination lock and boys and girls uniforms. Students may visit the store during first period, all lunch groups and thirteenth period.

Another responsibility of the council is the management of the refreshment stand at all of the home football games.

The point we are trying to make is that Student Council does a more than get out of four and fifth period twice a month. They need your support.

She also attended Geneva College and graduated in August of this year. Miss Alouise thinks the students of Union are very kind and friendly. When asked which period was her favorite class, she replied "No remark."

The Hi-Lite Staff takes this opportunity to wel-

leaders attended the International Cheerleading held at the College of Steubenville. On the last day of the final competition, they were chosen as Grand Champions.

The cheerleaders received two outstanding awards which were blue ribbons and three excellent awards that were red rib-

Faculty

Dedication

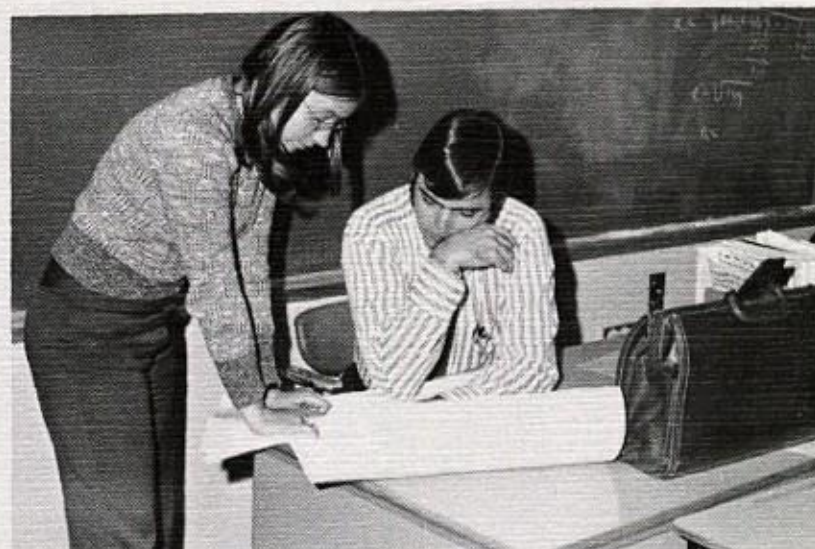

We, the members of the Yearbook Staff, are quite honored and proud to dedicate this '74 U to Mrs. Rita Yunker, an outstanding member of our faculty.

Mrs. Yunker received her Bachelor of Science Degree at Edinboro State College. Continuing her education, she attended Duquesne University where she received her Master of Education Degree.

While spending the last five years teaching at Union, she has taught Speech and Journalism to some Senior High students as well as teaching English.

In addition to teaching, Mrs. Yunker has been the advisor of the Union Hi-Lite and Yearbook for the past three years and sponsor of the Drama Club for five years. She has also directed two Jr. Class plays and two Drama Club plays.

We are also quite pleased to dedicate this U Annual to a deserving faculty member—Mr. David Carson.

Mr. Carson earned his Bachelor of Science Degree at California State College. Later he received his Master of Science Teaching Degree at Antioch College.

Before teaching at Union, Mr. Carson taught for half a year in Michigan.

During his eleven years of teaching at Union, he has taught Geography for one year, General Science ten years, and Physics for four years. He also began the first Lab Oriented Physics Course.

Mr. Carson has been in charge of the Planetarium for the past three years and is being assisted by Mr. Potocnak this year.

In his spare time, Mr. Carson has been coaching Jr. High Basketball for three years and Varsity for three years.

Senior Chorus Members

If students or faculty members heard happy, singing voices this year, they could be sure that the sound was coming from the chorus members. For the chorus, which is under the direction of Mrs. Carol Williams, is especially for those students who are interested in singing either for fun or professionally. The wide program of the chorus this year included the formal Christmas concert as well as the very light Pops concert. The chorus also acted in a musical and sent some members to the District, County, and State Chorus festivals.

"Plenty of Spirit" is the best description of our cheerleaders this year. With help from their sponsors, Mrs. Mary Jeanne Hanna-Senior High and Mrs. Susan Price-Junior High, the cheerleaders were instrumental in arousing the interest of the students and faculty members in support of the football, wrestling, and basketball teams. One of their big accomplishments this year was the giant pep rally at the football field for our No. 1 Rat Pack. During the summer, the cheerleaders returned home from camp with many 1st place awards.

"Hey, now everybody clap."

"Like the sign says - We're No. 1."
